

As writers, we will be writing about:

- Fact File – Hedgehogs
- Poetry - If I were a Bird

Year 1 – British Birds and Mammals
(Science Focus – Medium Term Plan)

As geographers, we will be learning about:

- Be able to read the temperature. (Taking temperatures) and compare temperatures in different countries.
- Identifying the countries and capitals of the UK

As scientists, we will be learning about:

Mammals:

- How to classify if an animal is a mammal.
- The mammals that live in Britain and how common they are. What animals would we not find in Britain (except in zoos).
- The difference between domestic and wild mammals.
- The mammals that are carnivores, omnivores or herbivores.
- Where do these mammals live? What is their habitat
- Constructing basic food chains.
- What are the dangers for mammals in our country?

As historians, we will be learning about:

- The animals that used to live in Britain in the past.

As mathematicians, we will be learning about:

- Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs
- Represent and use number bonds and related subtraction facts within 20
- Add and subtract one-digit and two-digit numbers to 20, including zero
- Solve one-step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems such as $7 = ? - 9$.
- Part-whole model including the bar model

Non-topic based subjects

Art and DT – Exploring symmetry by drawing an animal’s face. Collage.

Computing – Online Safety & Algorithms

Music – Hey You! Hip Hop – listening and appraising.

PE – Gymnastics

PSHE – Celebrating Difference/ Dreams and Goals

RE – Harvest time

In George Spicer Reads we will be reading:

Key Skills:
Clarifying

Why should we protect animals? Why is this important to our survival?

Our Global Goal focus for this topic will be:

15: Life on Land
