

As writers, we will be writing about:

- Writing based on a story about winter.
- Instructional text

Year 1 – Winter is coming

As historians, we will be learning about:

- The animals that used to live in Britain in the past.

As geographers, we will be learning about:

- How the temperature changes during this time. To be recorded every day.
- Comparing the temperature in London to the temperature in Edinburgh, Cardiff and Belfast.

As scientists, we will be learning about:

Seasons:

- How the length of the day changes throughout Jan-March.
- How trees react to winter and the difference between deciduous and evergreen trees.
- What are animals doing in this time?
- How do we need to dress sensibly in winter? Why?

As mathematicians, we will be learning about:

- Number bonds to 20
- Comparing objects
- Greater than
- Less than

Non-topic based subjects

Art and DT - Using textures (fabric, wool, cotton wool etc.) to create a winter scene (I can use overlapping and overlaying to create effects).

Computing – Bee Bots

Music – Hey You! Hip Hop – listening and appraising.

PE – Gymnastics

PSHE – Celebrating Difference/ Dreams and Goals/Anti Bullying

RE – Christmas

In George Spicer Reads we will be reading:

Key Skills:
Clarifying
Retrieval

Our Global Goal focus for this topic will be:
13: Climate Change

Each season is gradually getting warmer. Why is this a bad thing? How can we prevent the Earth getting too hot?
