Year 2 Trip to Capel Manor Gardens EN1 4RQ Thursday 6th / Friday 7th November 2025

Wednesday 8th October 2025

Dear Parent/Carer,

We have arranged a trip for the Year 2 children to visit Capel Manor Gardens.

Sparrow and Owl - Thursday 6th November

Robin - Friday 7th November

The trip is linked to our topic about animals and their habitats. We will be learning how habitats provide the basic needs for living life to survive: both animals, birds and plants.

We shall be travelling by bus and hope to arrive back by 3.15pm, traffic permitting. If we are delayed we will send a message via our text service.

Packed Lunches

Lunch will be a picnic in the grounds of Capel Manor. A school packed lunch can be provided if required. A sign-up sheet for school packed lunch will be on classroom doors two weeks before the trip. If you are providing your child with a packed lunch from home, please ensure that it is in a clearly **named plastic bag - no lunchboxes/plastic boxes or reusable water bottles, as nothing will be returning with your child. No sweets, nuts, fizzy drinks or chocolate to be included.**

The children should wear school uniform, with comfortable shoes (welly boots if the forecast is for rain), and will need to bring a waterproof coat.

The parents' contribution for the trip will be £13.00 per child. We ask you to make payment via Arbor by Friday 17th October 2025.

If you have any difficulty making this contribution, please contact your child's class teacher, as the trip may have to be cancelled if there are insufficient payments.

If you would like to accompany and help the class on this trip, please inform your child's class teacher as soon as possible. We will inform those who are required by the **17th October 2025**. If we do require your help on the trip, then a meeting will be held nearer the time to confirm arrangements.

Kind regards,

"Learning Well Today to Live a Better Tomorrow"

Yours sincerely,

Year 2 Team

“Learning Well Today to Live a Better Tomorrow”
